

## AMWAY EARNINGS DISCLOSURE STATEMENT

**Date of Issue:** 21 July 2008

Amway is committed to providing earnings disclosure information to actual and prospective ABOs to help them to assess the business opportunity.

The data set out below covers the period October 2007 to end June 2008 inclusive ("the Specified Period") and has been independently verified to ensure accuracy. All figures are based on ABOs in the UK and Republic of Ireland registered with Amway during the Specified Period.

All monetary values are in Pounds Sterling unless otherwise denoted. All earnings in Euro values were converted to Pounds Sterling using the exchange rate applicable for the month the data was extracted.

During the period 1 May 2007 to 21 July 2008 there has been a moratorium on the registration of new ABOs which is likely to have affected earnings levels. The moratorium was lifted on 21 July 2008 (although certain restrictions remain in place) and updated earnings data will be published at an appropriate time and in any event no later than 1 January 2009.
