EMMA BUSTS REUNION RUMOURS!

EMMA WILLIS caught up with *love it!* for a gossip about make-up and men...

'My husband, Matt Willis, finds the natural look attractive but he likes it if I vamp it up as well,' she chuckled.

Ooh, scary. Speaking of Matt, are the rumours of a Busted reunion true?

'Not to my knowledge,' she revealed. 'If they are, he hasn't told me anything.'

Besides, it sounds as though Emma, 34, is the main breadwinner with her new presenting job on *Live From Studio Five*.

She's also the new spokesperson for new beauty line Beautycycle. For info, call 01908 629 466, or visit www.amway.co.uk.
