EMMA WILLIS

What's the worst thing you've ever done while drunk?
"A long time ago when I lived in New York, we came out of a bar and I really needed the toilet, so I went to the loo behind a skip with my friend hiding me with her coat!"

When did you last use public transport?
"Two weeks ago when I used the Tube."

What's the most extravagant thing you've ever bought?
"When I was 18 and I didn't have much money, I saved up and I bought a metallic lilac 1967 Beetle. It was £2,000, so it's not loads of money, but it was for me at the time."

When did you last say: "I love you"?
"This afternoon on the phone to my husband Matt [Willis]. I say it every time I leave him."

Have you ever cheated on anyone?
"No, I haven't."

What do you most dislike about yourself?
"I am an awful timekeeper. I was an hour late for my own birthday dinner last year!"

When was the last time you cried?
"I cried watching the film Up. I was on a plane going to LA for work and it was the first time I'd left our baby, Isabelle, so I was emotional anyway, and then I put that movie on and sobbed like a baby!"

Are there any celebrity numbers on your mobile?
"Well, Matt, Dave Berry, Heidi Range and Holly Willoughby."

What's been your most embarrassing moment?
"My friend and I were quite young and going into a bar with a big stairway. My friend tripped and fell from the middle to the bottom of the stairs and everybody laughed at her. It didn't directly happen to me, but I was more embarrassed than her!"

What is your favourite thing to cook?
"I really love making curries."

Which celeb do you secretly fancy?

"Well, I don't secretly fancy him. I'm out of the closet in love with Brad Pitt. Even with the beard! He can do no wrong in my eyes."

Which celebrity would you like to disappear forever?
"People who crave fame, like Kerry Katona. I feel bad saying it but I think it would be better if she took some time off and sorted herself out."
