ANEW CLINICAL LUMINOSITY PRO BRIGHTENING SERUM

£28, BY AVON (AVONSHOP.CO.UK). Any blemishes, marks or redness really show up on my pale skin, but this serum evens out my complexion. I definitely notice a big difference if I stop using it

ALL-DAY SKIN-HYDRATING EMULSION £30, BY DARPHIN

(0870 034 2566). This is fantastic for rehydrating my skin. I've been travelling a lot lately, with the *Strictly Come Dancing* tour, and this is fab during or after a flight or long bus ride

LIP GLOSS IN 'SPONTANEOUS'

£9.95, BY ARTISTRY (01908 629466). I love the natural look I get with this gloss. It's a pretty pink colour and leaves my lips soft and moisturised

FACE FABRIC £29, BY GIORGIO ARMANI

(020 7318 2486). This foundation evens out my skin tone but is ultra light so doesn't feel like wearing make-up

POWERPOINT EYE PENCIL IN

'ENGRAVED' £12.50, BY MAC (MACCOSMETICS.CO.UK). I'm such a fan of kohl, and this one is the best. It's great for smoky eyes and stays put all day
